ANNUAL MEETING

Wednesday September 18th 2024

Thermal Analysis for Health and Safety

CALL FOR ABSTRACTS

dsm-firmenich

Hauptstrasse 4, CH-4334 Sisseln (AG)

The aim of the association STK is to assemble scientists and specialists from **universities** and **industries** active in the field of **thermal analysis** and **calorimetry**.

STK organizes its **Annual Meeting** at **dsm-firmenich** in **Sisseln**, an important **production and development center** located on the **High Rhine** (at the border with Germany) that we will have the opportunity to visit.

The meeting will highlight Thermal Analysis for Health and Safety, but is **open to contributions from all applications of thermal analysis and calorimetry**. Manufacturers will exhibit instruments in these fields.
